Instant cash for business growth

—

Razorpay Capital solves your cash flow challenges by financing your business growth through instant settlements and quick business loans.
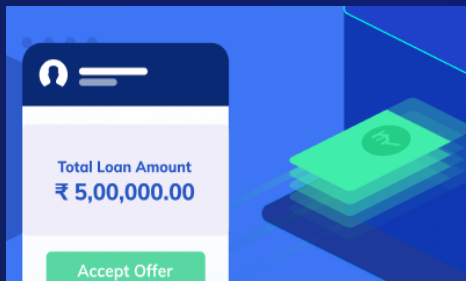

Accessible funds

You are pre-approved on the basis of your customer payments. We don't need a long business history and a high credit score.

Transparent pricing

You get simple pricing with best interest rates for your needs. We don't require collateral or personal guarantees.

Flexible repayments

You make automatic payments from your settlements when you can. We give you the freedom to suit your business.

e experienced a 40% decline in mand due to COVID-19 lockdown but we couldn't afford to cut back on marketing and product development. Razorpay Capital did a fine job of processing and disbursing loans quickly with great support throughout. With increased liquidity, we were able to bounce back to normality in no time.
