Made for Mobile

—

At Razorpay, we understand the continually changing needs of businesses to accept online payments - from how consumers pay, all the way to the devices they use.

Incredible Mobile Experience

Your Payment Page has a consistent look and feel across all devices and is optimized for iPhone, iPod, and Android devices.

Every Payment Page automatically includes a unique mobile experience that matches the overall style of your page, so your content looks great on every device,every time.

Looking for a convenient and cost-effective
way to accept payments online?

No Coding Required

Your business can go online with zero integration and tech efforts. We build and operate for you.

Automated Receipts

Eliminate manual intervention by sending automated receipts on payment confirmation. NGOs can also use automated 80G receipts for donations.

Memorable URLS

Look professional with a custom URL that is as easy to remember and is an extension of your business.

Custom Branded Page

Customize the look and feel of your payment pages to reflect your brand colours, for seamless customer experience.

Custom Fields

Collect information relevant and important to your business by adding and modifying fields on the Payment Page.

Track Your Payments

Make better business decisions using insights from the time data and reports available on the dashboard.

A payments experience people love to talk about

We make it easier for you to focus on building great products while we work on simplifying your payments. Become one of us by joining thousands of our happy users and simplify the online payment experience for your customers.

Focus on your business while we handle the complexities of payments for you.

Here's why our customers choose us

Quickly create a page with no integration or coding.

During the Kerala & Kodagu floods last year, as a responsible brand we wanted to enable our consumers to be able to donate to relief funds. We had very little time and needed an instant and sustainable solution. This is where our association with Razorpay helped -

Sankshep Malhotra

Razorpay

Razorpay is the only payments solution in India that allows businesses to accept, process and disburse payments with its product suite. It gives you access to all payment modes including credit card, debit card, netbanking, UPI and popular wallets including JioMoney, Mobikwik, Airtel Money, FreeCharge, Ola Money and PayZapp.

Razorpay's business banking arm, RazorpayX, brings effectiveness, efficiency and excellence to all financial processes. With RazorpayX, businesses can get access to fully-functional current accounts, supercharge their payouts and automate payroll compliance.

Manage your marketplace, automate bank transfers, collect recurring payments, share invoices with customers and avail working capital loans - all from a single platform. Fast forward your business with Razorpay.

Disclaimer: The RazorpayX powered Current Account and VISA corporate credit card are provided by RBI licensed banks. Your RazorpayX powered account is provided by our partner bank, in accordance with RBI regulations. RazorpayX itself is not a bank and doesn't hold or claim to hold a banking license.
