It is Xsilica Software Solutions's policy to respect your privacy regarding any information we may collect while operating our website. This Privacy Policy applies to https://payg.in (hereinafter, "us ", "we ", or [" https://payg.in"](https://payg.in)). We respect your privacy and are committed to protecting personally identifiable information you may provide us through the Website. We have adopted this privacy policy ("Privacy Policy ") to explain what information may be collected on our Website, how we use this information, and under what circumstances we may disclose the information to third parties. This Privacy Policy applies only to information we collect through the Website and does not apply to our collection of information from other sources.

This Privacy Policy, together with the Terms and conditions posted on our Website, set forth the general rules and policies governing your use of our Website. Depending on your activities when visiting our Website, you may be required to agree to additional terms and conditions.

Website Visitors

Like most website operators, Xsilica Software Solutions collects non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference,referring site, and the date and time of each visitor request. Xsilica Software Solutions's purpose in collecting non-personally identifying information is to better understand how Xsilica Software Solutions's visitors use its website. From time to time, Xsilica Software Solutions may release non-personally-identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its website.

Xsilica Software Solutions also collects potentially personally-identifying information like Internet Protocol (IP) addresses for logged in users and for users leaving comments on https://payg.in blog posts. Xsilica Software Solutions only discloses logged in user and commenter IP addresses under the same circumstances that it uses and discloses personally-identifying information as described below.

Mobile Application

When you visit the mobile application, we may use GPS technology (or other similar technology) to determine your current location in order to determine the city you are located within and use it to verify digital signature with current location. We will not share your current location with other users or partners.

Gathering of Personally-Identifying Information

Certain visitors to Xsilica Software Solutions's websites choose to interact with Xsilica Software Solutions in ways that require Xsilica Software Solutions to gather personally-identifying information. The amount and type of information that Xsilica Software Solutions gathers depends on the nature of the interaction. For example, we ask visitors who sign up for a blog at https://payg.in to provide a username and email address.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Advertisements

Ads appearing on our website may be delivered to users by advertising partners, who may set cookies. These cookies allow the ad server to recognize your computer each time they send you an online advertisement to compile information about you or others who use your computer. This information allows ad networks to, among other things, deliver targeted advertisements that they believe will be of most interest to you. This Privacy Policy covers the use of cookies by Xsilica Software Solutions and does not cover the use of cookies by any advertisers.
